テトラディオン

While cherry blossoms fall in dance.
I couldn't have you by my side

こんにちは、または初めまして。新和涼です！(にいなと読みます)

今回は、咲-Saki-より、部長×キャプテン(+かじゅモモ)本になりました。
テーマは「卒業」。
そして「恋愛」。

いつも「百合～百合～」言ってる私ですが、
実は恋愛モノを真正面から描くのはとても苦手であります…。

だがしかし！

アニメ個人戦からの怒涛のプッシュ、
ファンブックで咲と和の中の人からも人気があることが発覚し、
そしてとうとうヤンガンでも…！？　こ　これは…

確実に部キャプの時代がきている！！

っていうか…

部キャプ抱き枕はまだか！！！

こんなどうしようもない私が描いている部キャプ漫画ですが、
少しでも楽しんでいただければ幸いです。

ではまた後期にて。

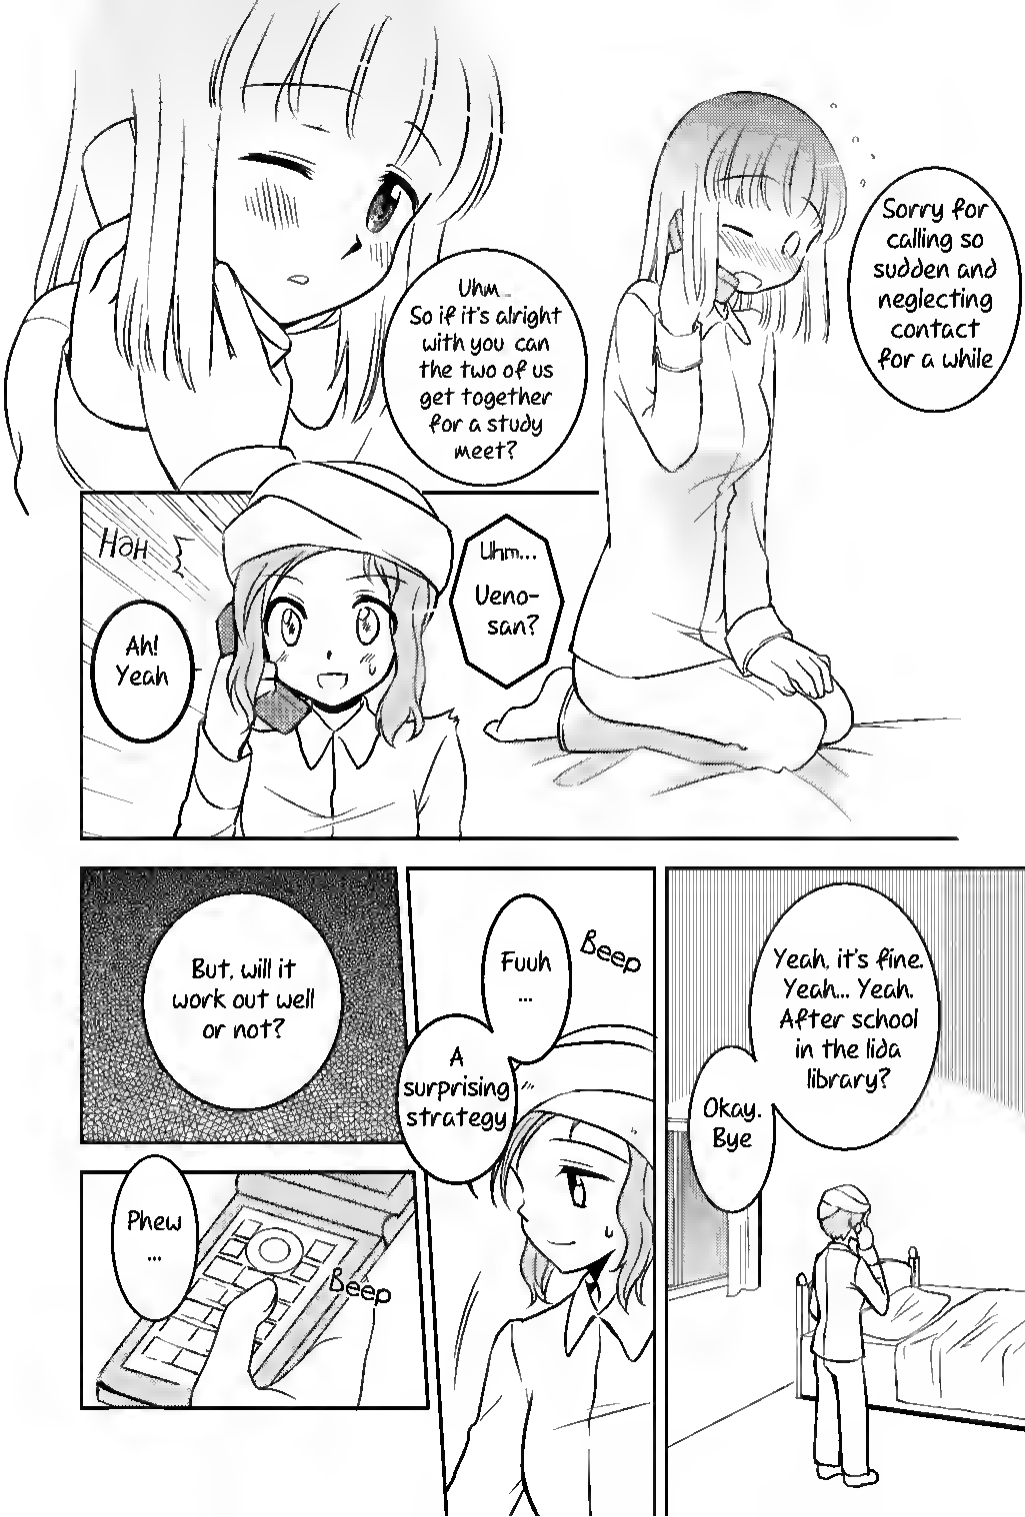
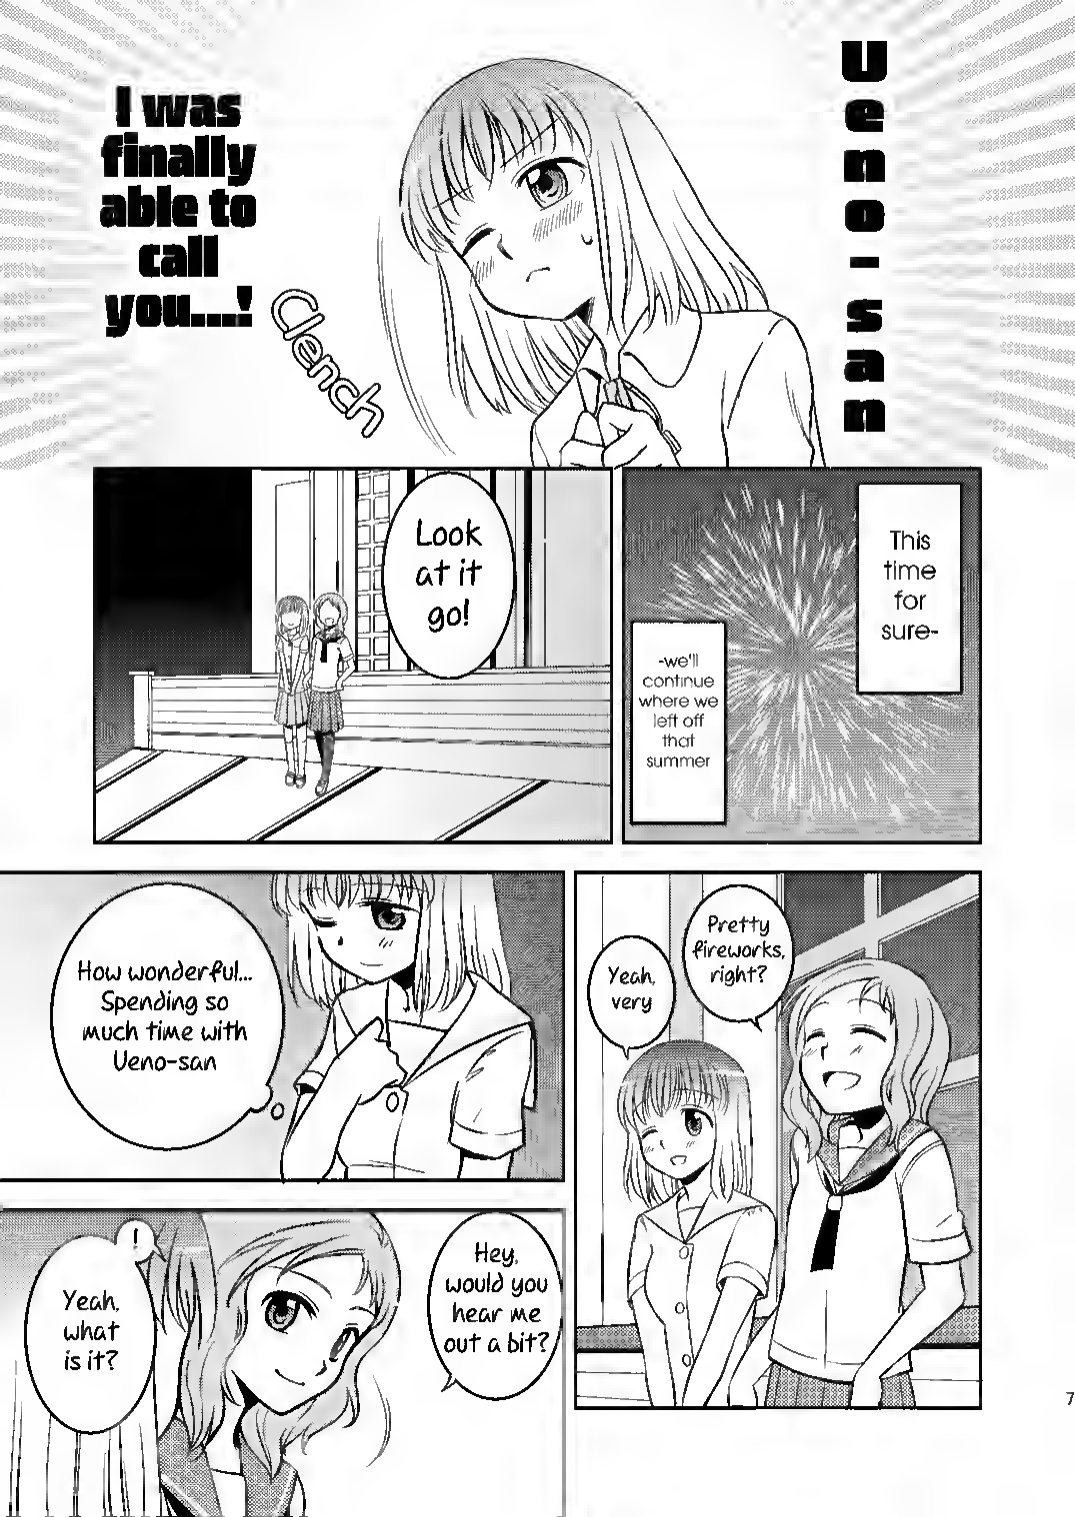
Hello? Mihoko?
That surprised me. That you knew how to use a phone
Ahaha. Don't get angry!
Hmm ?
Ueno-san... Would you like to study for the college entry exams together?

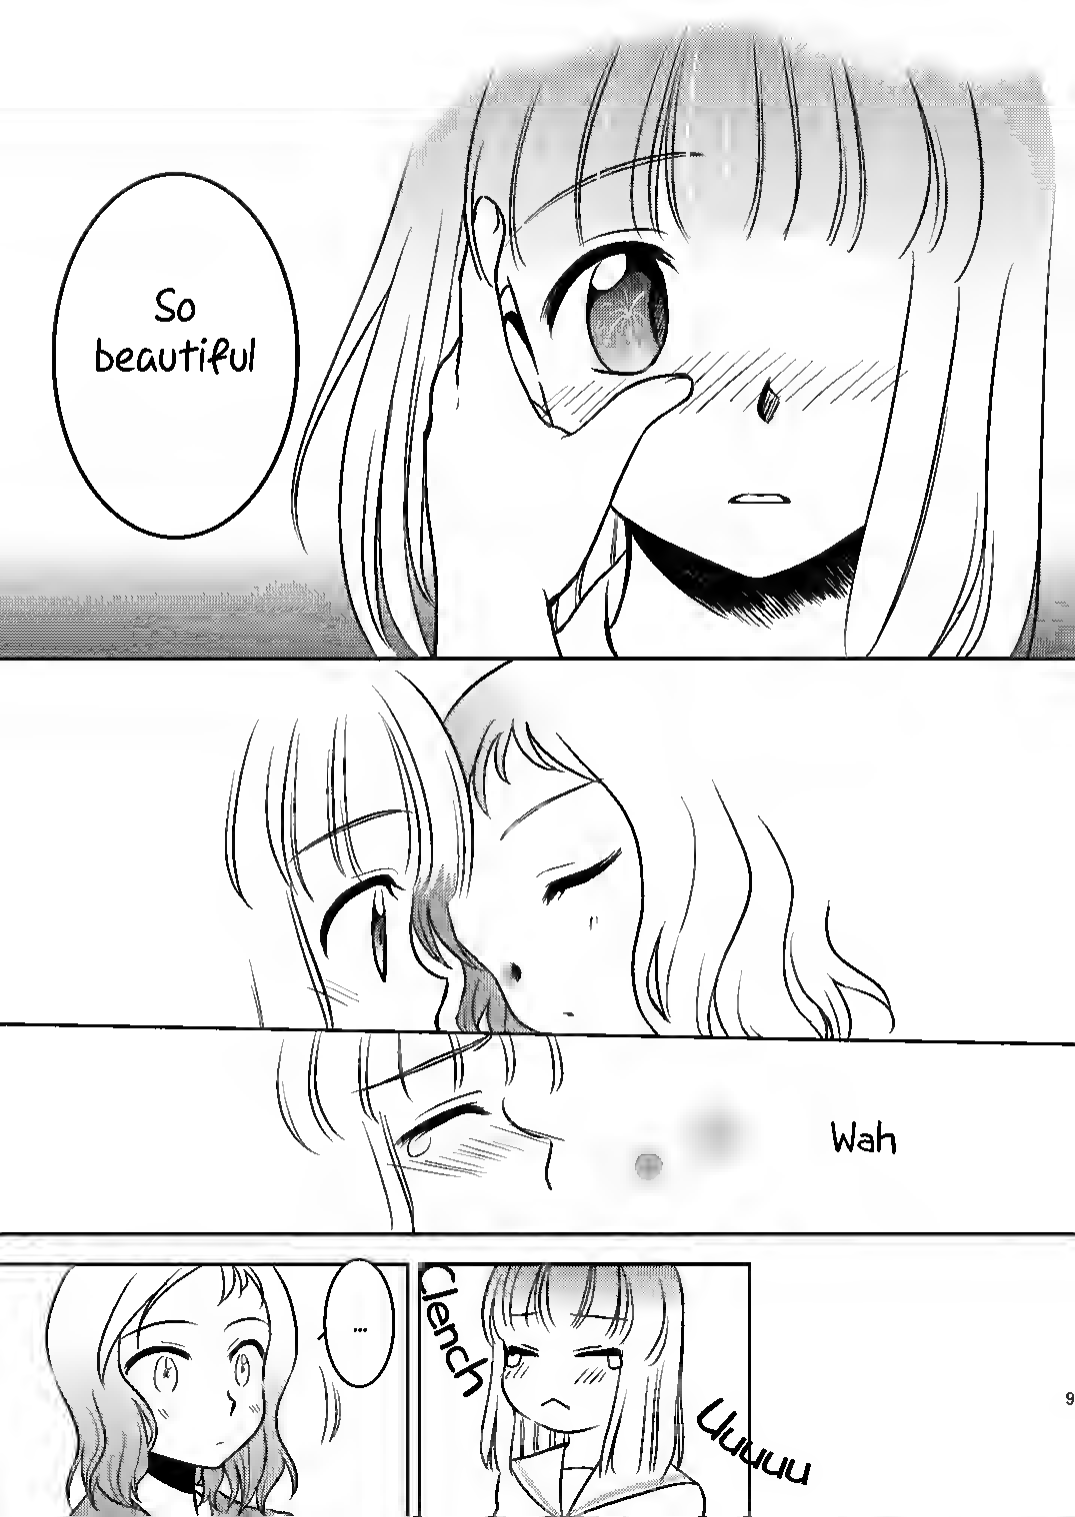


Sorry for calling so sudden and neglecting contact for a while
Uhm... So if it's alright with you can the two of us get together for a study meet?
Hah
Ah! Yeah
Uhm... Ueno-san?
Yeah, it's fine. Yeah... Yeah. After school in the Iida library?
Okay. Bye
Beep
Fuuh ...
A surprising strategy
But, will it work out well or not?
Phew ...
Beep

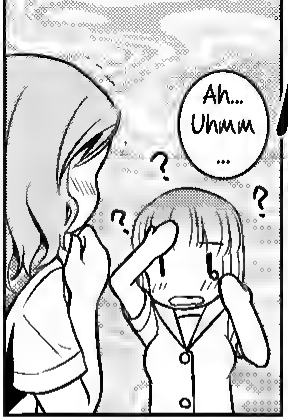


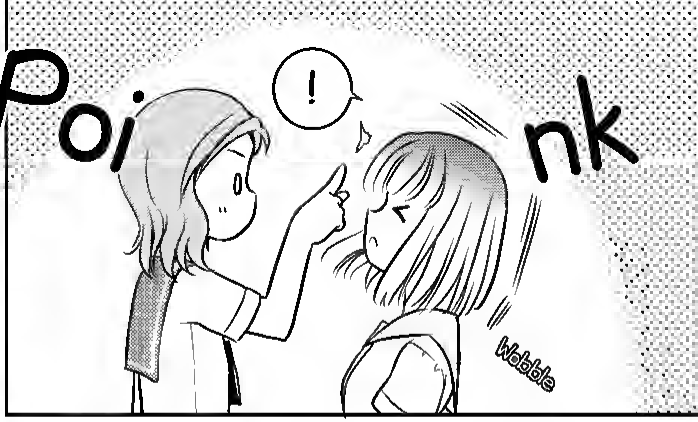
I was finally able to call you...!
Clench
Ueno-san
Look at it go!
This time for sure-
-we'll continue where we left off that summer
How wonderful... Spending so much time with Ueno-san
Pretty fireworks, right?
Yeah, very
Hey, would you hear me out a bit?
!
Yeah, what is it?

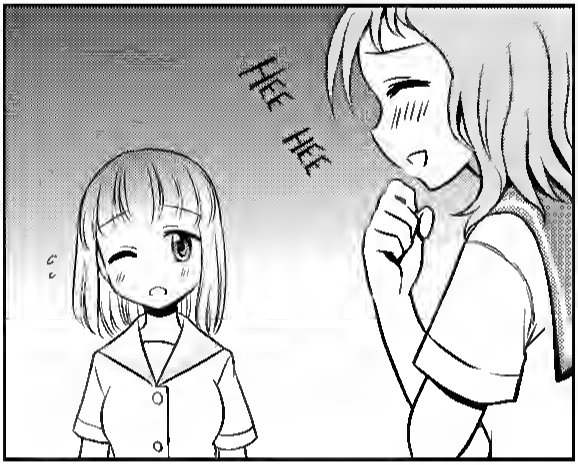
As I said this evening, I don't mind at all that you didn't answer the training camp letter by phone or otherwise
By bump
But why did you come in person?
Perhaps ...
You were thinking it'd be okay to be a little conceited?
BLAST
It's ...
How should I say it...
...Looks like it's reaching the high-point
You know...
there's anohter way to look at the fireworks?
RATTLE
Rumble
Eh?
... Look



So beautiful
Wah
...
clench
Uuuuu







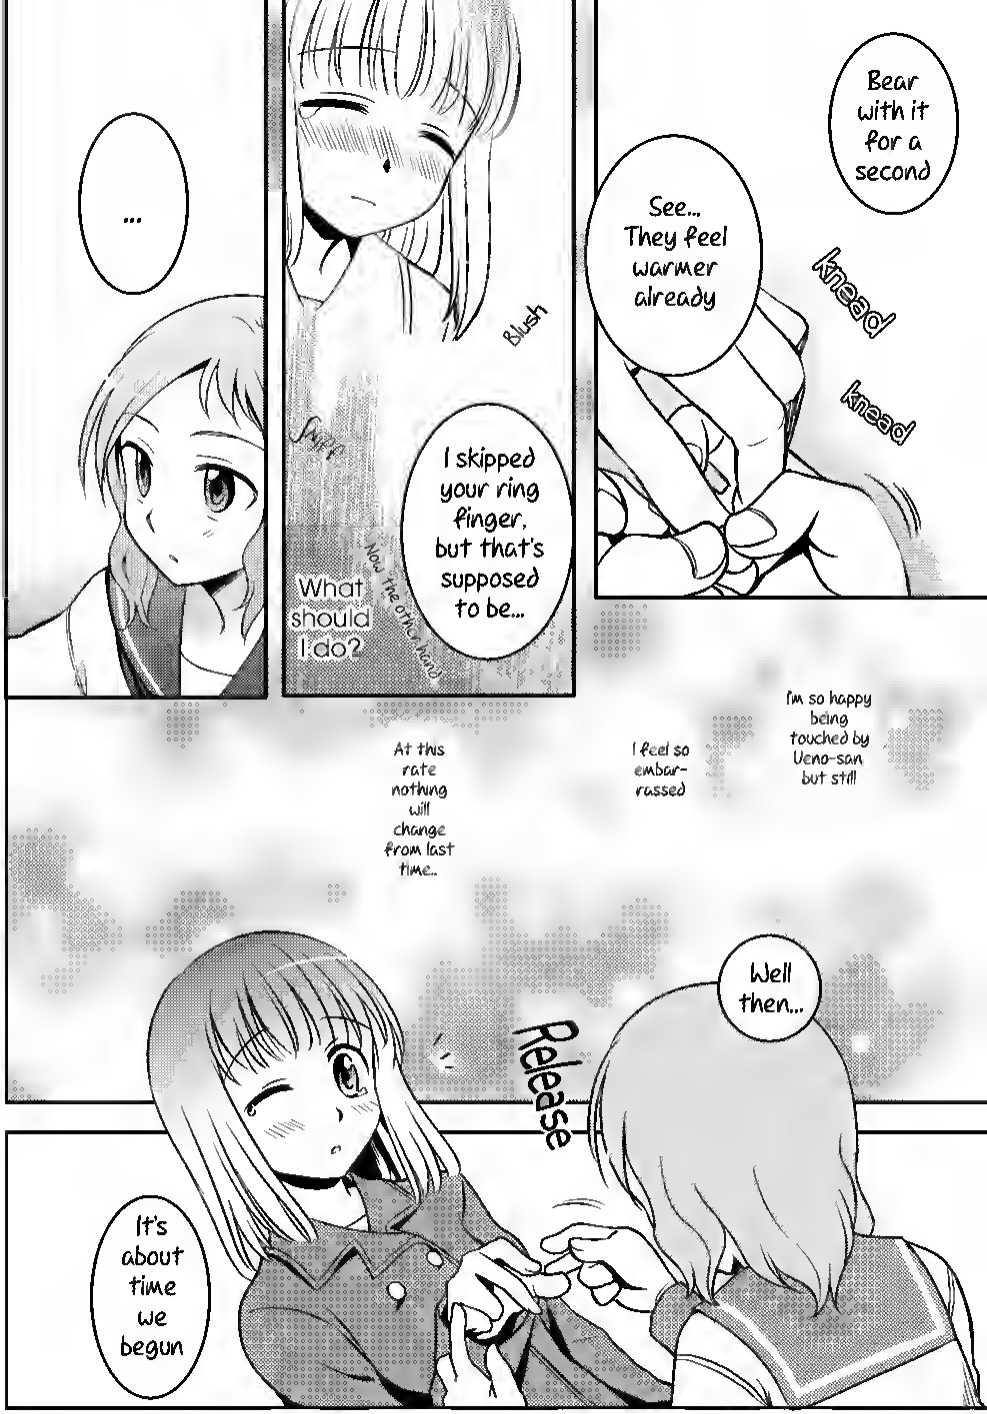
Ueno-san

You haven't touched me at all since then

But

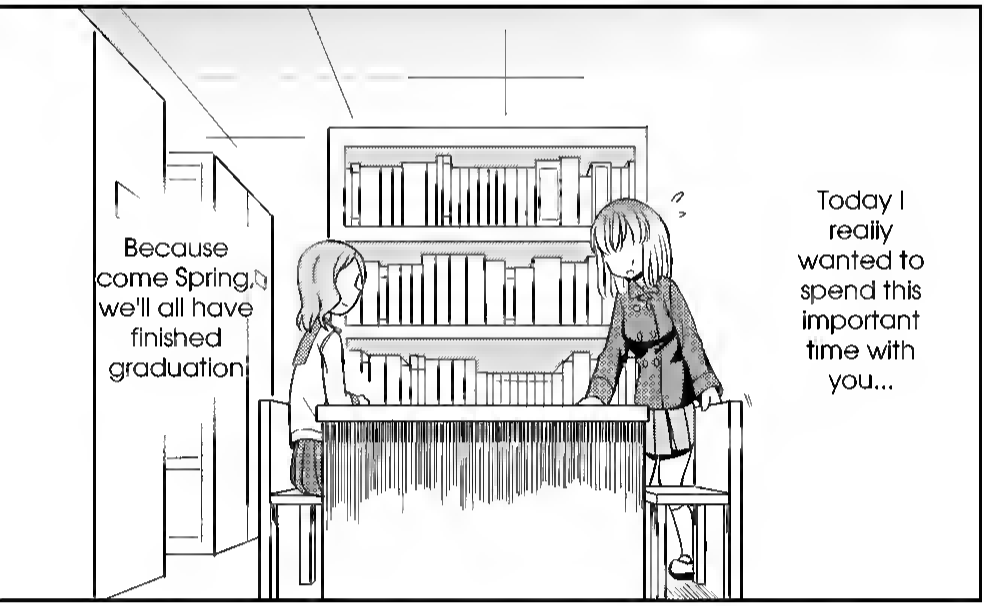
Because you're so cute

Were you thinking it'd be okay to be a little conceited?
The meaning of those words...
Your face is all red. did you run?
It's cold out, right?
Ueno-san...
Aah
Ara
It had that kind of meaning, right?
As I thought ...
I heard on the TV this morning that your hands warm really quickly if you do this
It tickles!
Squeeze
Squeeze
Squeeze
Sparkle
Ah. Uhm... What are you doing?
Fingertip massage!
Come here
Kya

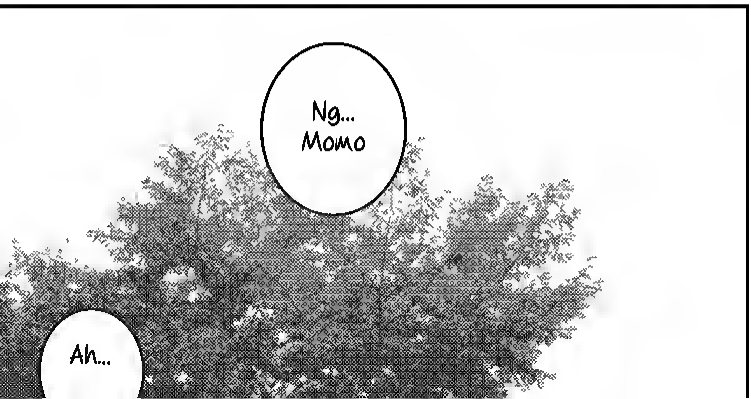


Bear with it for a second
knead
knead
See... They feel warmer already
I'm so happy being touched by Ueno-san but still
I feel so embarrassed
At this rate nothing will change from last time...
Well then...
Release
It's about time we begun
...
Blush
Shift
Now the other hand
What should I do?
I skipped your ring finger, but that's supposed to be...

That's right...
We'll study together, right?
Studying...
Tap Tap



Because come Spring, we'll all have finished graduation.
Today I really wanted to spend this important time with you...

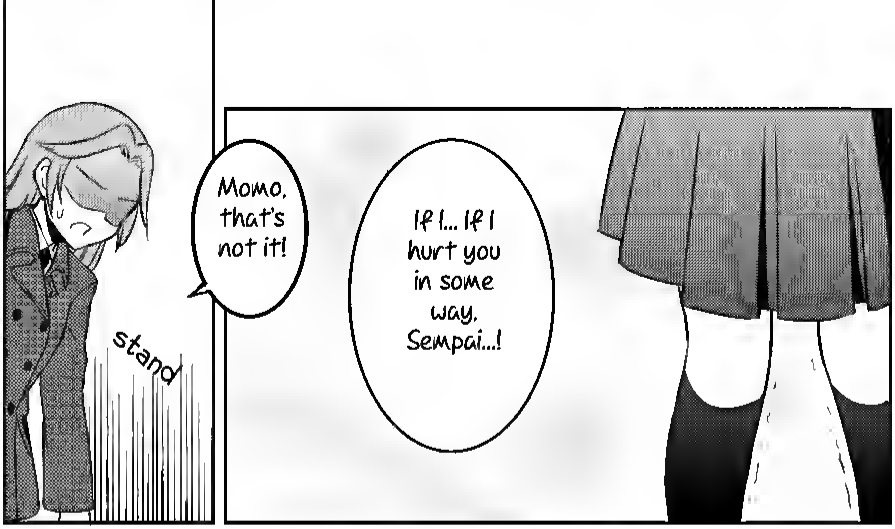


Ng... Momo
Ah...

And in Spring...

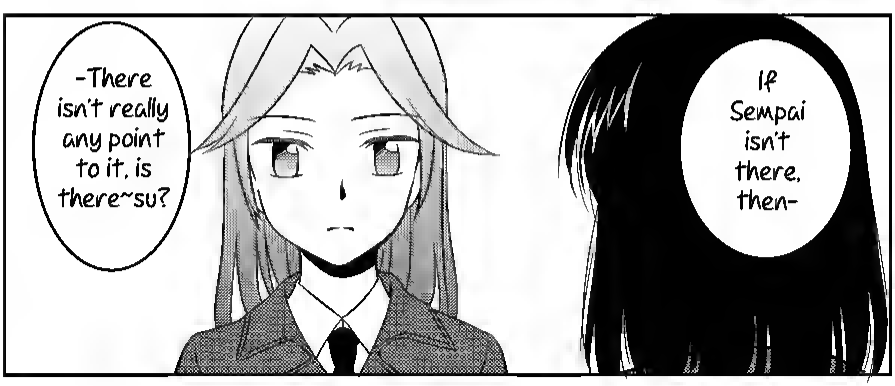
Haah
Momo... Doing it in a place like this, what if someone sees us?
Wow~su... Are you okay Sempai?
Sit down
There's no way that'll work!
It's fine~su... If I hug you tightly like this, Sempai will also be Stealthy
SQEE
ZE

Hey, Sempai-
I'll only hold back for today~su
Yeah, that's right~su. Sorry about that
However...
SHUFFLE
-Why haven't you come to club practice lately~su?
I've already quit the club, so that's not particularly odd, right?
...
But Sempai, you've told me before, right~su? That I should spend as much time as possible with everyone
My college entrance exams are starting soon, I should be studying non-stop
You told me before that you needed "every last minute to study"~su
...
But tell me the truth, Sempai



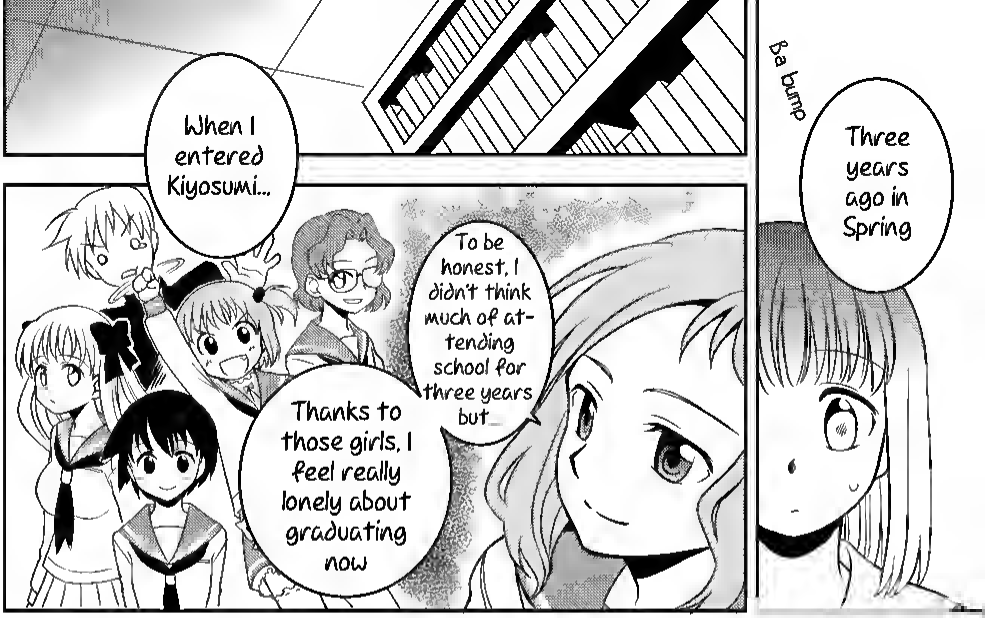
Momo, that's not it!
stand
If I... If I hurt you in some way, Sempai...!

I'm only at the Mahjong Club because I want to be seen by you, Sempai~su!
Then why!?

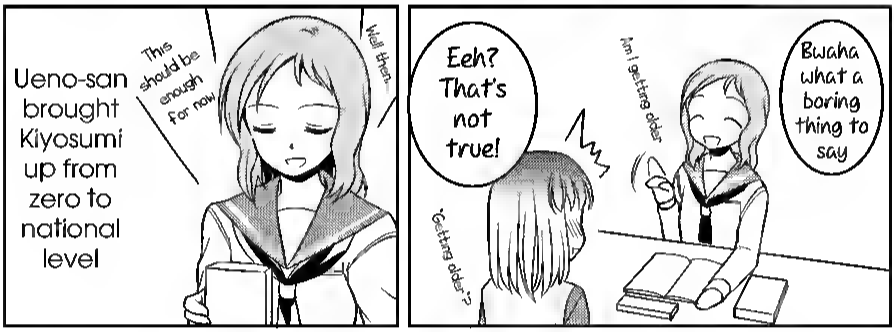


-There isn't really any point to it, is there~su?
If Sempai isn't there, then-

I definitely haven't come to dislike you
I may not have any free time now, but...
Tap
It'll be okay...
Please keep going to the club, Momo
Don't tell me...
You intend things to continue like this tiii graduation ~su?
Graduation is coming up so soon
tap
Sempai ...!



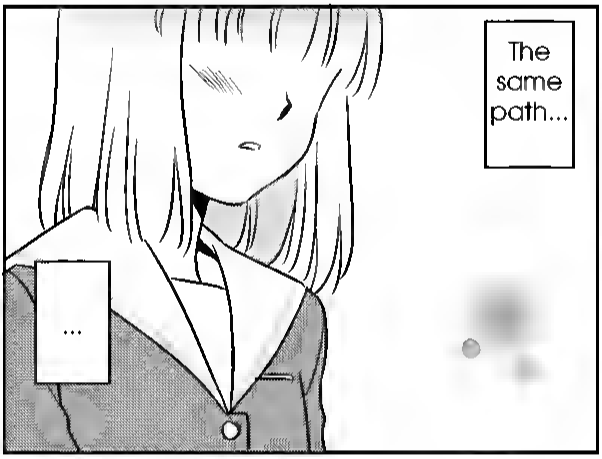
Ba bump
Three years ago in Spring
To be honest, I didn't think much of attending school for three years but...
When I entered Kiyosumi...
Thanks to those girls, I feel really lonely about graduating now



Ueno-san brought Kiyosumi up from zero to national level
This should be enough for now
Well then
Eeh? That's not true!
Am I getting older
Bwaha what a boring thing to say
"Getting older"?

Especially about leaving the club and... seeing the girls do activities splendidly without you
-get sentimental sometimes I also-
Surely this must be much more painful to her than it is to me..

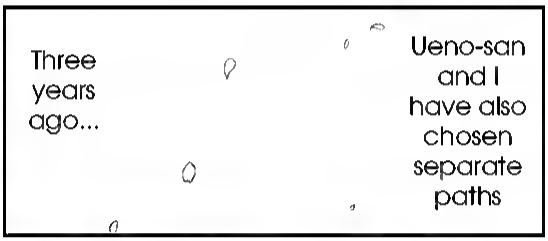
Nyaa
The graduation has really changed us
Even though I feel relieved... It also makes me feel like I've been left behind



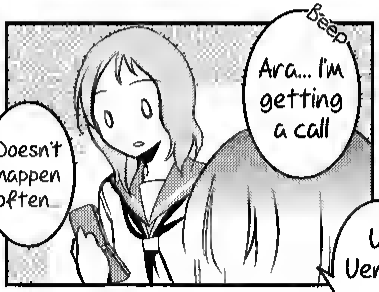
The same path...
...

We haven't changed at all. We just can't walk along the path hand in hand with our friends anymore

No
It was nothing important
Mihoko, did you have anything else to say?
Then let's call it a day

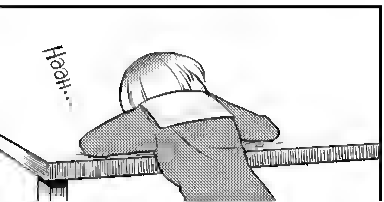


Three years ago...
Ueno-san and I have also chosen separate paths



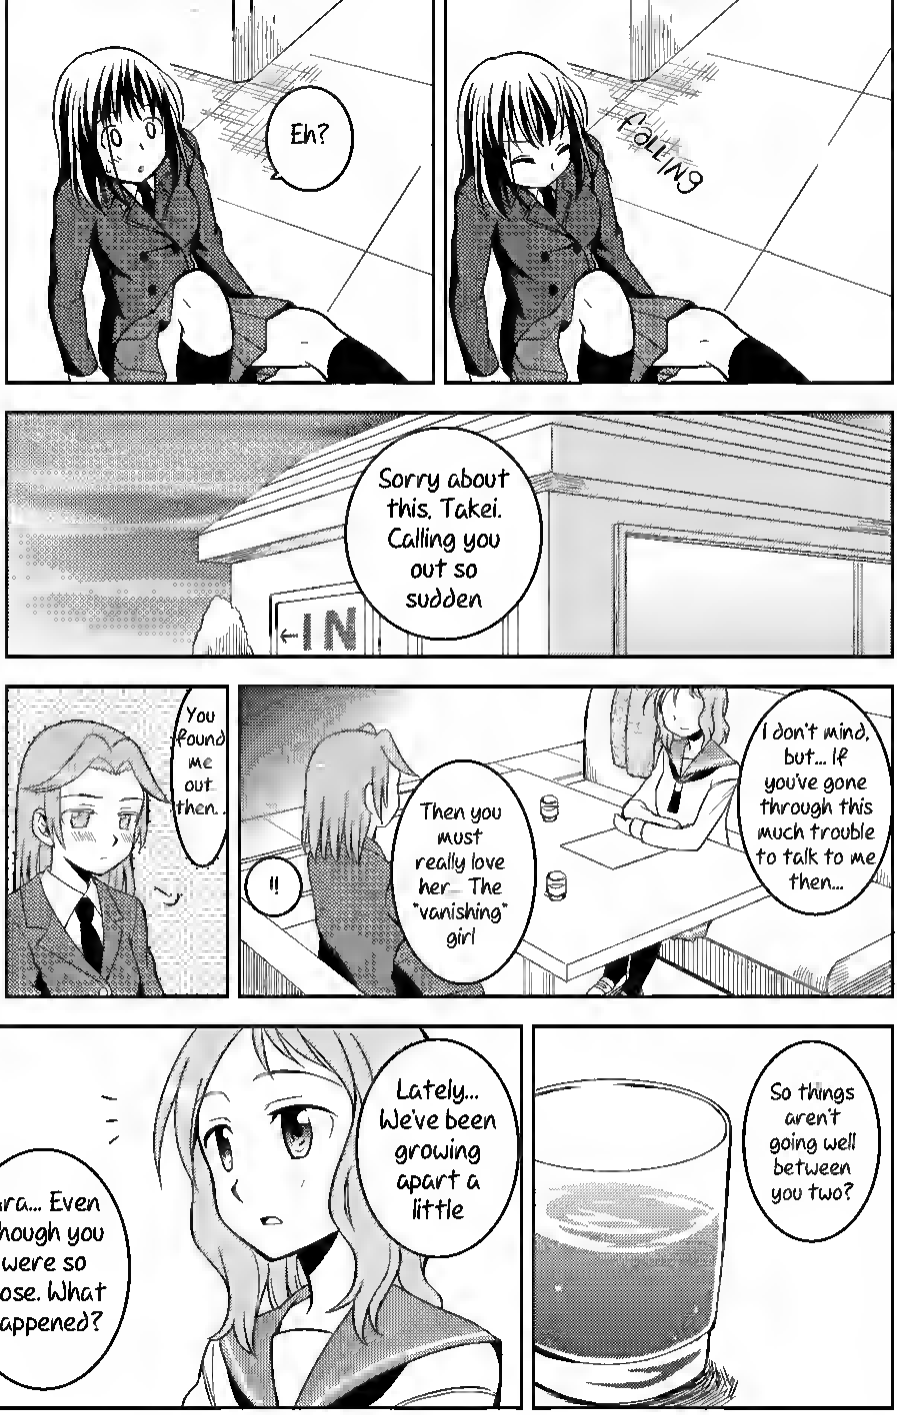
Beep
Ara... I'm getting a call
Doesn't happen often
U... Ueno-san

Then. What about coming Spring?

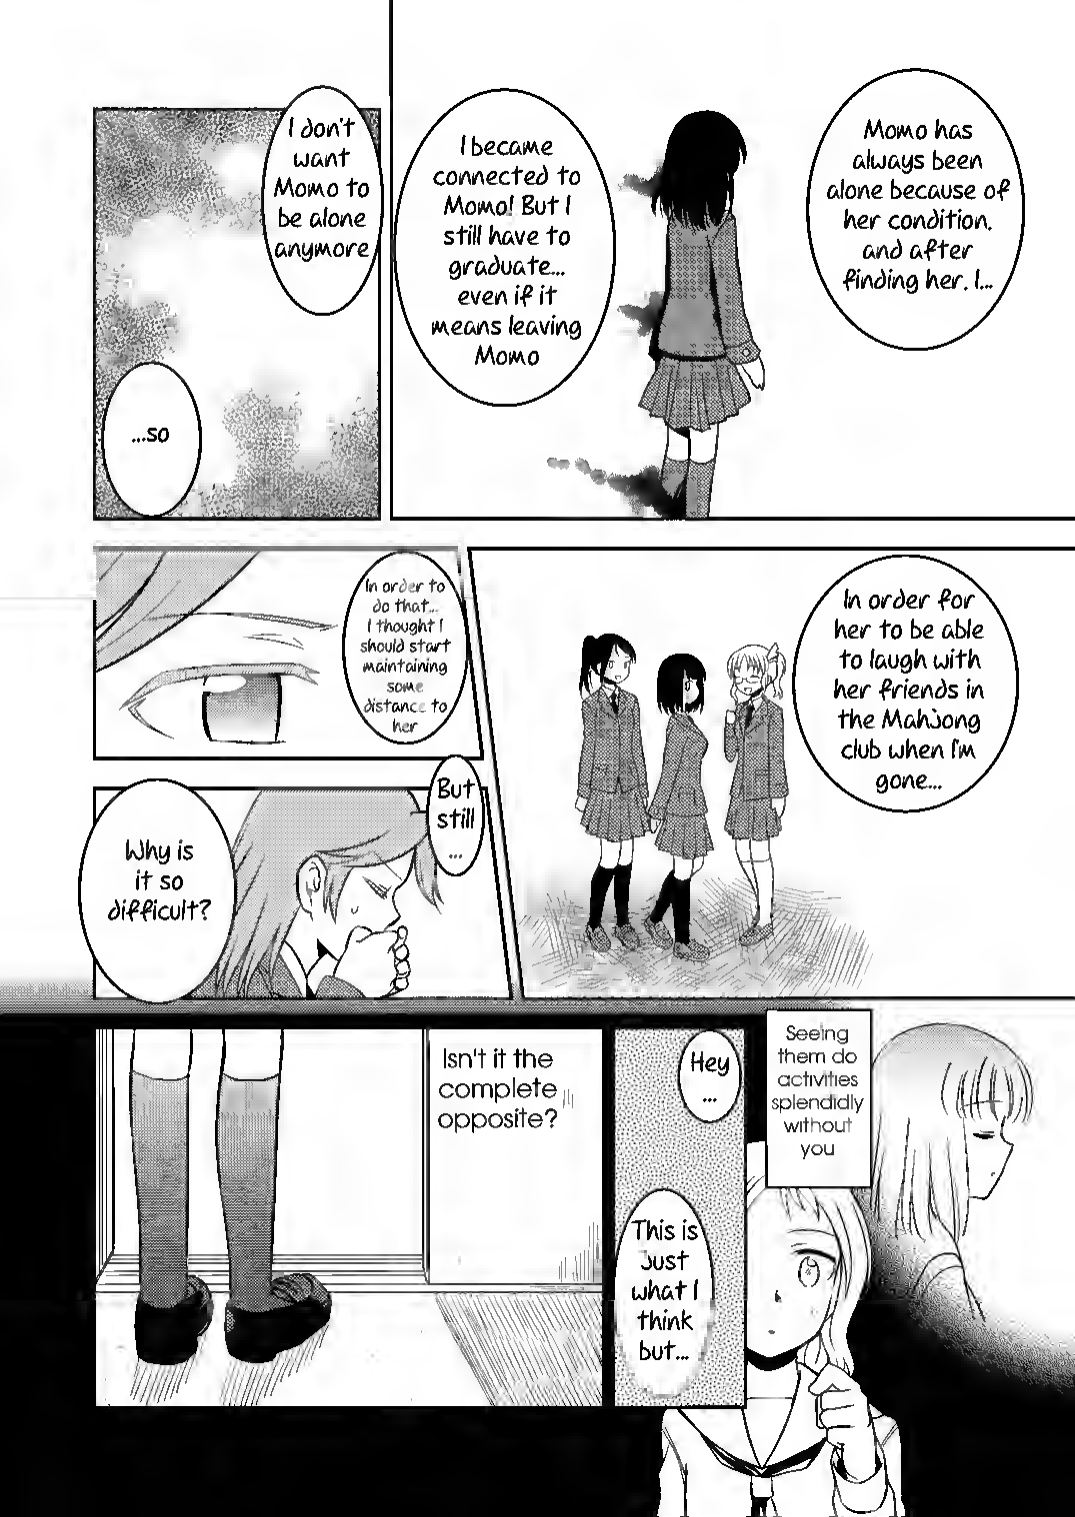


Haah...

Stare
!?
Yoiiooo~
?
But what is she doing taking a train here .?
If I let Sempai separate from me this way, I, Touyoko Momoko, will regret it my entire life~su
So cold...
Isn't that... Kiyosumi's!?
Ah... They're leaving
Thud!
What's going on here?

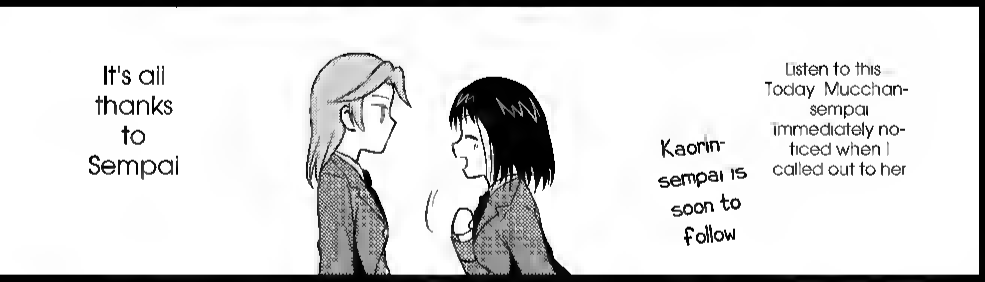


Eh?
FALLING
Sorry about this, Takei. Calling you out so sudden
←IN
You found me out then...
!!
Then you must really love her— The "vanishing" girl
I don't mind, but... If you've gone through this much trouble to talk to me then...
Ara... Even though you were so close. What happened?
Lately... We've been growing apart a little
So things aren't going well between you two?



Momo has always been alone because of her condition. and after finding her. I...
I became connected to Momo! But I still have to graduate... even if it means leaving Momo
I don't want Momo to be alone anymore
...so
In order for her to be able to laugh with her friends in the Mahjong club when I'm gone...
In order to do that... I thought I should start maintaining some distance to her
But still ...
Why is it so difficult?
Seeing them do activities splendidly without you
Hey ...
This is just what I think but...
Isn't it the complete opposite?

Good job studying~su!
Yumi chin came too
Ahh, Sempai!

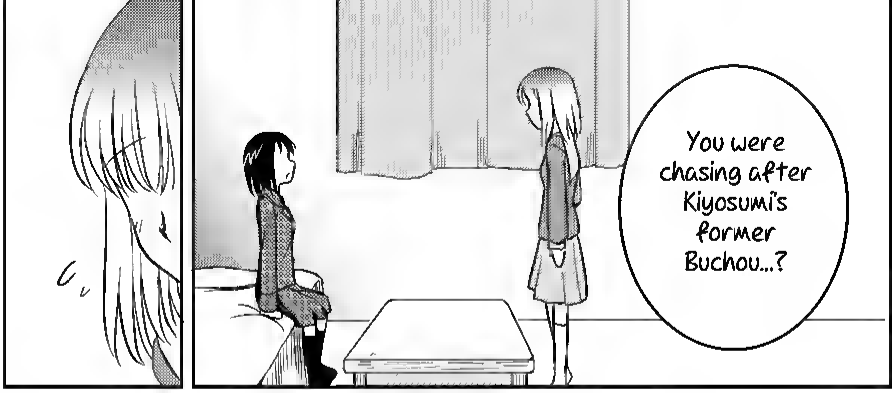


It's all thanks to Sempai
Kaorin-sempai is soon to follow
Listen to this Today Mucchan-sempai immediately noticed when I called out to her

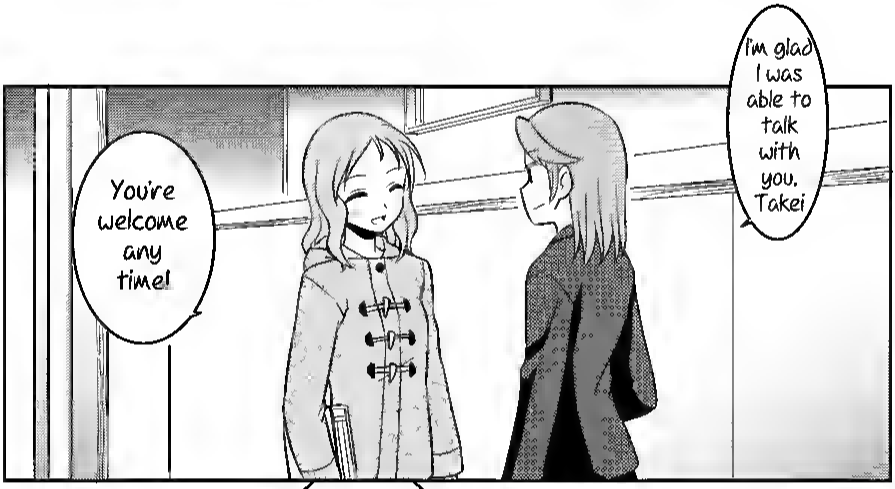
Yumi!
Who can find me whereever I am~su

"I don't want Momo to let go of my hand!", right?
What you are actually thinking is,

I'm really sorry
I should have looked where I was walking, but...
It's just a scratch but it's on my dominant hand
Ah-
It can't be helped
TIGHT
?
To bring me all the way to her own home to treat me...
She's a really kind person~su
Ah!
I saw her meet with Kiyosumi's former Buchou and then... Ahem?
Per-haps...
I was there to chase after Sempai
Come to think of it, I brought you all the way here but you must have had some business to do right?
Took her a while.

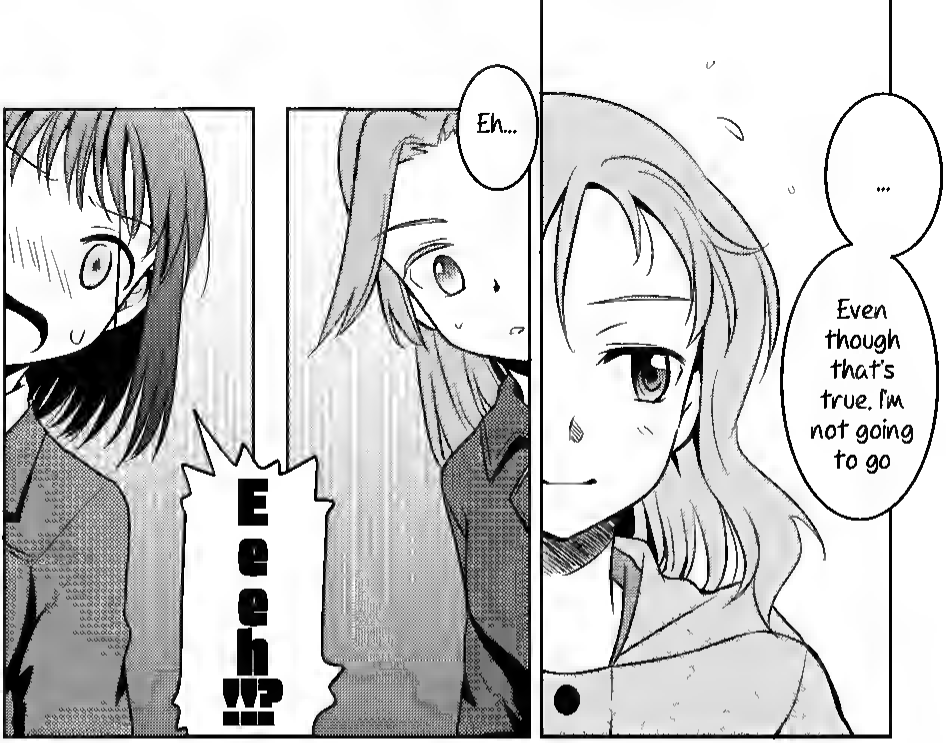


You were chasing after Kiyosumi's former Buchou...?

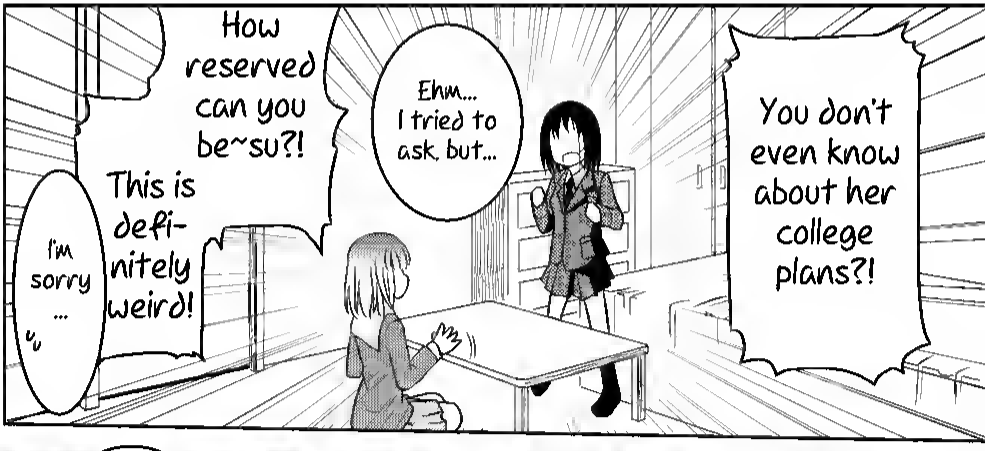


I'm glad I was able to talk with you, Takei
You're welcome any time!

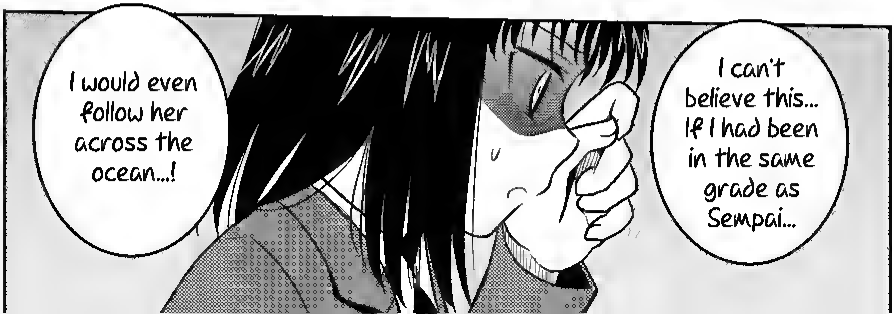
Kazekoshi's former Captain is in a different school but you're in the same grade, right?
It looks like you're doing well, right?
Hmm?
If you go to the same college, then...



Eh...
...
Even though that's true, I'm not going to go
Eeeh!?!!!



You don't even know about her college plans?!
Ehm... I tried to ask, but...
How reserved can you be~su?!
This is defi-nitely weird!
I'm sorry ...



I would even follow her across the ocean...!
I can't believe this... If I had been in the same grade as Sempai...

It's better to be quick with these things ~su
Ah. Ehm...
Give me a phone!
It's hard to do, isn't it~su. I know...
CLICK CLICK
If you really want the situation to change~su...!
Separating after graduation...
I definitely definitely de--finitely don't want to see that happen~su!
It's snowing
Bibibibi

I came rushing
Because the oh-so-cute you-
Ueno-san!
You- You really came!

ドキン ドキン ドキン
Ehm...

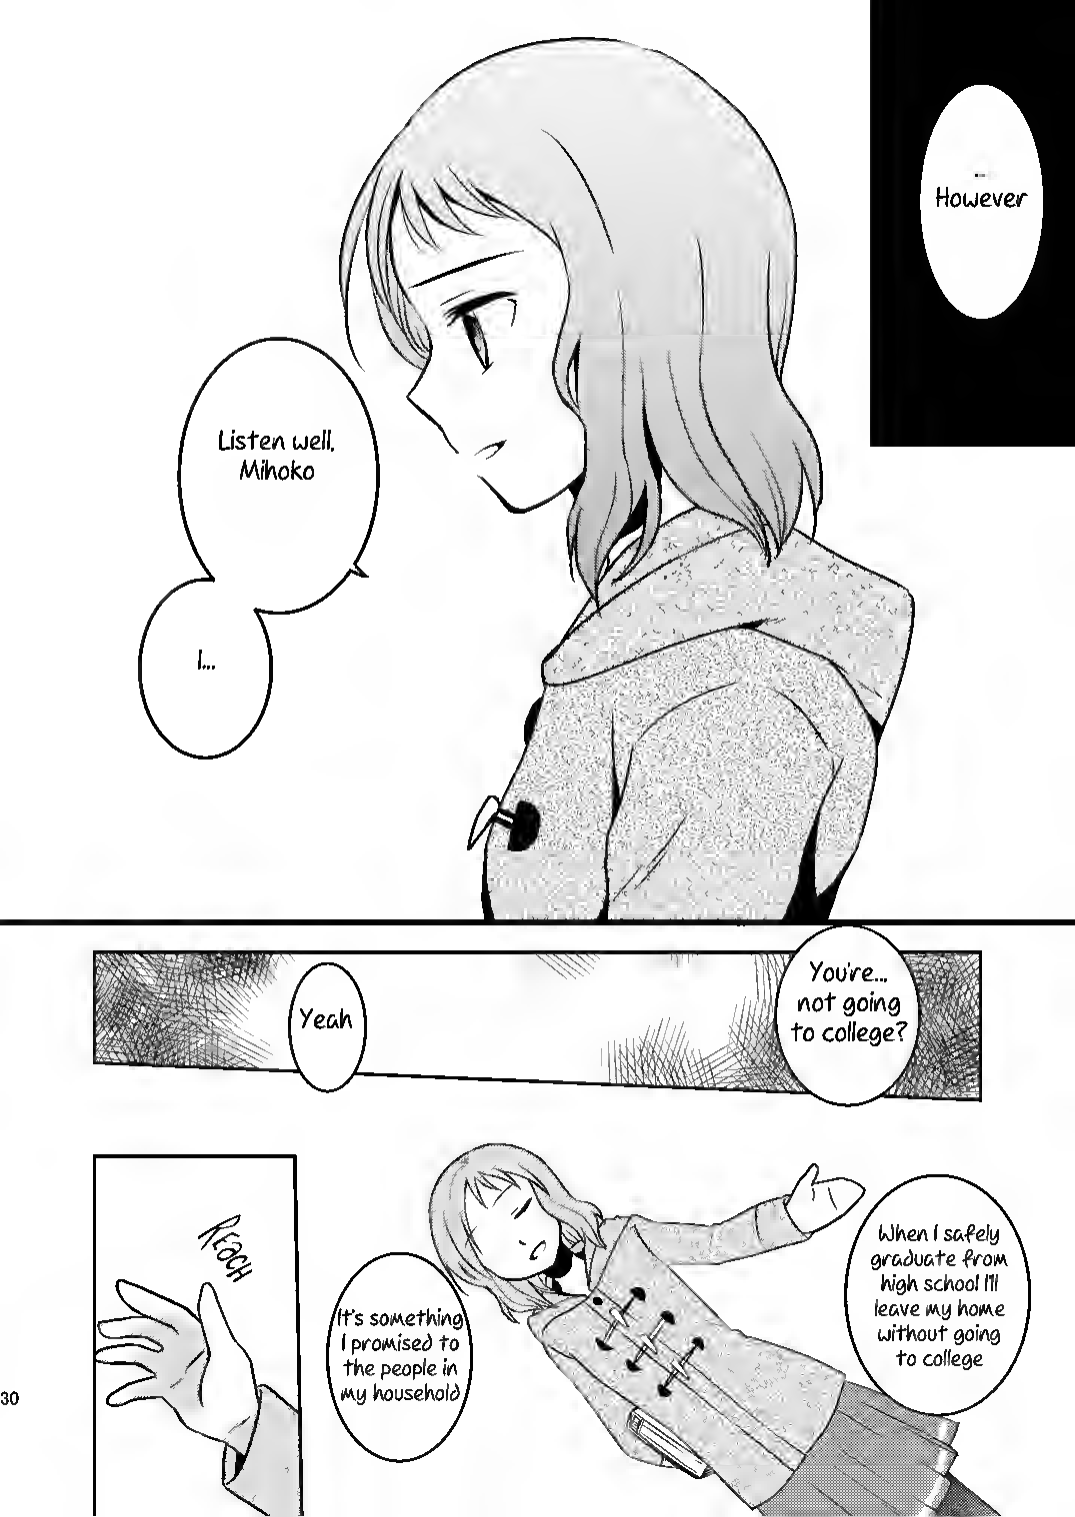
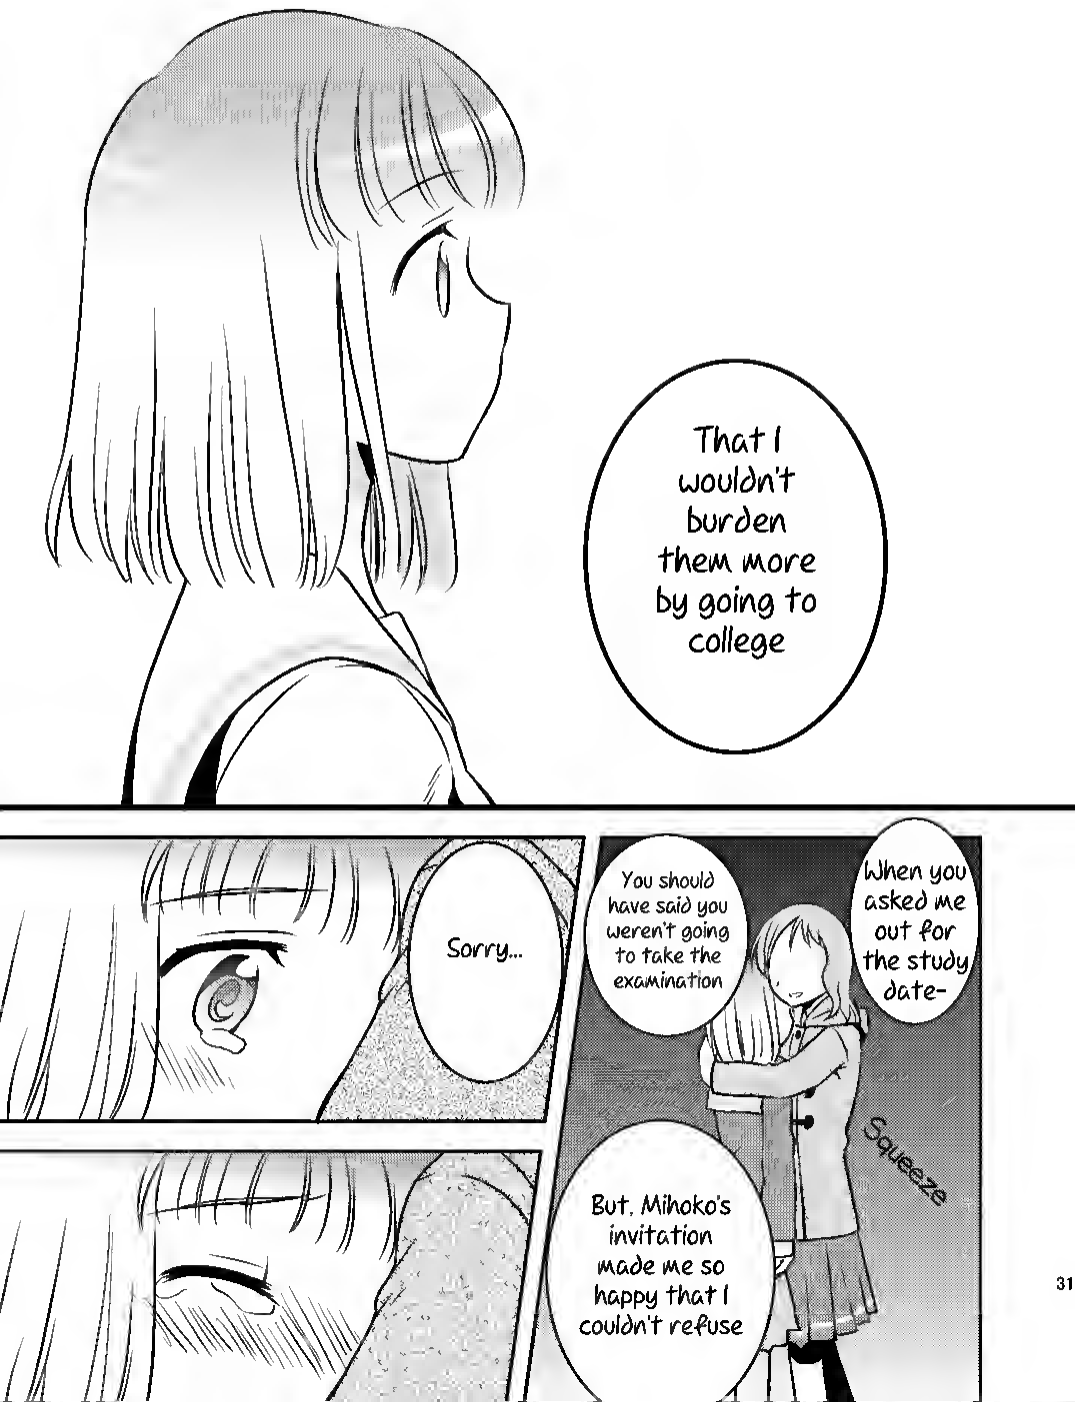
CLOSING DOOR
SIGH

I love you!
So if it's possible ...
I want us to go to the same college together!
Ah, you got me now...
To be honest ...
I was getting tired of waiting for you to mentally prepare
But ...
This finished wait, more so than any bad wait I've ever had-
-Has made me supremely happy



...
However
Listen well, Mihoko
I...
You're... not going to college?
Yeah
When I safely graduate from high school I'll leave my home without going to college
It's something I promised to the people in my household
REACH



That I wouldn't burden them more by going to college
Sorry...
You should have said you weren't going to take the examination
When you asked me out for the study date-
Squeeze
But, Mihoko's invitation made me so happy that I couldn't refuse

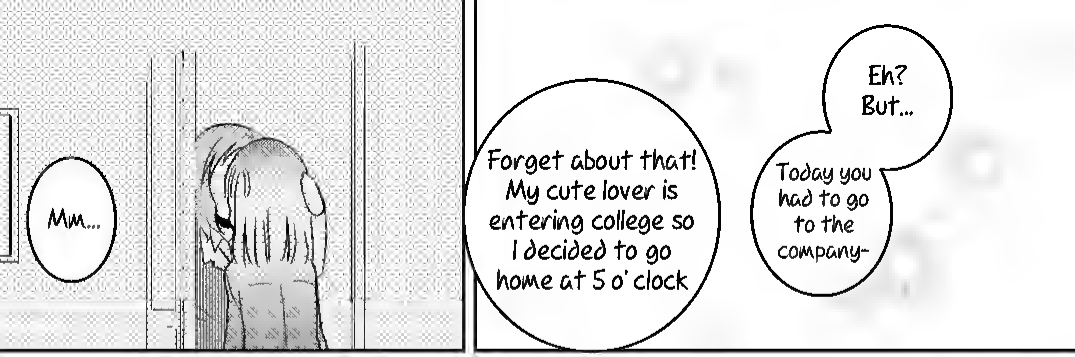
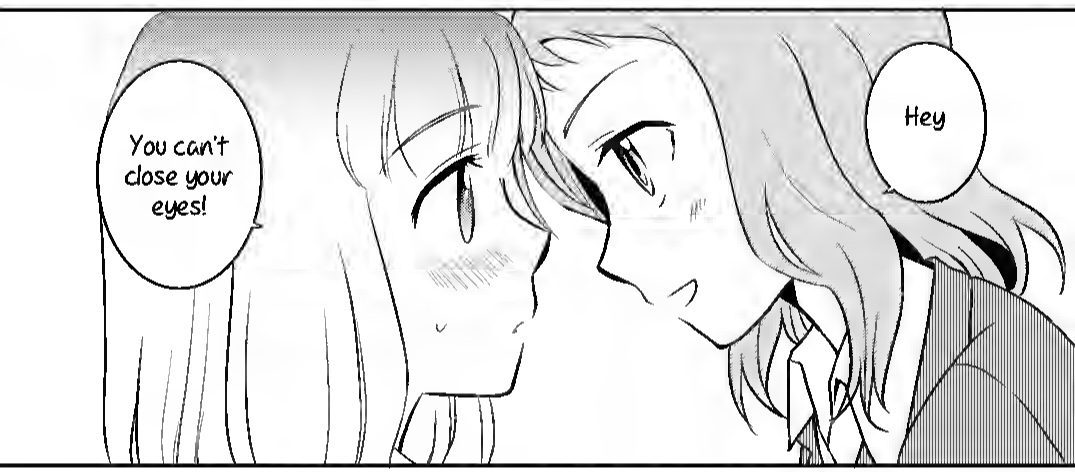
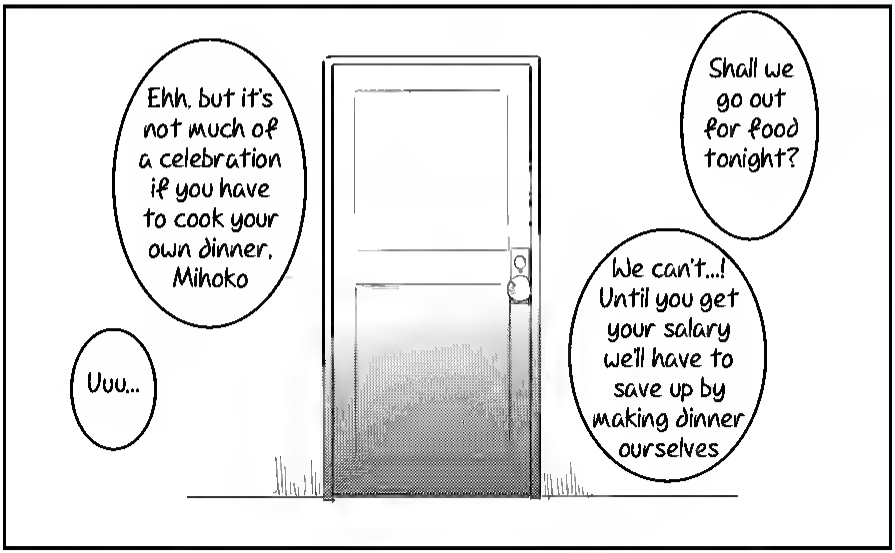
Welcome back, Mihoko
You were running late so I was planning to pick you up by car
Ueno-san!?



Mm...
Forget about that! My cute lover is entering college so I decided to go home at 5 o' clock
Eh? But...
Today you had to go to the company-



You can't close your eyes!
Hey



Ehh, but it's not much of a celebration if you have to cook your own dinner, Mihoko
Shall we go out for food tonight?
Uuu...
We can't...! Until you get your salary we'll have to save up by making dinner ourselves

おわり

再びこんにちは。新和涼です。 読了ありがとうございました！

いつもながら拙い漫画をここまで読んでくださりありがとうございます。
感謝の気持ちでいっぱいです。

今回は部長×キャプテンと、かじゅモモ、あえてふたつのカップリングを取り扱いました。
それぞれが影響しあって、物語が進んでいくという展開に挑戦しています。
「卒業」というのが共通テーマなのですが、私自信が大学卒業を控えているせいか、
今回はずいぶんとキャラクターに自分の感情がのってしまい、
ともに落ち込んだり、悩んだりしながら、話を描き進めるのに苦労しました。
ストーリーのブレに努力のあとが感じられるかも…orz

でもとりあえず、

部かじゅ　と　キャプモモ　が描けたのでよしとする！(笑)

タイトルの「テトラディオン」はギリシャ語で四人組という意味です。
でも実際に四人でいるのは表紙だけ…(笑)
本編には二人ずつでしか登場しないという不思議な漫画です。

加治木先輩とモモについては、あえて後日談を描いていません。
モモはすごく迷いのない子だと思っているので、
加治木がとまどったり悩んだりしても、手を引いていってくれるはず…。

咲-Saki-原作はまだまだおなじみのキャラクターたちが活躍してくれそうで、
部キャプ展開にも期待しつつ、応援していきたいと思います！

それでは、また次の機会に…。
